Face painting

Our children's God mother came to stay over christmas and brought them some face paints, so of course, we had to have all have a go. Here's what we did.....

Boo was to be a pretty fairy.

Pirate

BB was a pirate, then even put his pirate outfit on, to finish off the look, along with a swashbuckling pose!

Daddy got in on the fun too and became batman (hey, what daddy doesn't want to be batman?! And I had a pretty butterfly on my cheek and Aunt Trudy became a lion!
