

Win a break at Center Parcs competition

Center Parcs are currently running a competition anyone can enter, for a chance to win a break at a Center Parcs village of their choice. To enter, all you need to do is share a photo on Twitter or Facebook that shows what you would be doing if you were at Center Parcs today, making sure to use the hashtag #wincpbreak. The photo could be of your favourite family activity or maybe some quiet spa time.

This is what we are looking forward to doing when we visit Center Parcs in June.....

Swimming

Center Parcs has the most *amazing* swimming pool. Our kids absolutely adore swimming and splashing around. However, taking 3 small children to our local pool has been very difficult as a whole family, due to the parent/child ratio restrictions that apply. Now that our kids are a little older, visiting Center Parcs will give us a fantastic opportunity to all swim, splash and have tons of fun in the pool together, we can't wait to dive in!

Cycling

As a family we love getting out and being active. The children have just learnt to ride their bikes, so we can't wait for the opportunity to go on a proper bike ride together, in a beautiful safe environment which we have been unable to do at home.

Forest walks

You can't beat a bit of fresh air, exercise, nature and spending quality time together during a forest walk. We all delight in exploring the great outdoors and Center Parcs definitely provides opportunity for this in abundance.

We are looking forward to our holiday at Center Parcs, so we can enjoy lots more of the great outdoors and also experience things we would otherwise not get to do. We have already booked a session of mini jet skis and I cannot tell you how excited the kids are about this! It is going to be a very memorable holiday.

Why not enter the competition for yourself for a chance to win a memorable family break? Anyone can enter and it's very simple.
